WAKO Canada is welcoming all Martial Arts, Kickboxing, Muay Thai and MMA clubs in BC, with an interest in creating a Provincial Sporting Organization (PSO) that is recognized by the Ministry of Sport in British Columbia, to attend this meeting.

A first meeting with BC Clubs was held on April 14<sup>th</sup>. A number of clubs attended from across BC. Plans were established to move the creation of a PSO for the province of BC. This second meeting will begin as an information session on the benefits and structure of a provincial based kickboxing association, followed by a planning session.

With WAKO being accepted by the IOC (International Olympic Committee) there are many positive benefits for all sport martial arts, kickboxing, and Muay Thai clubs in Canada. There exists the possibility of athlete and sport development funding; inclusion into Provincial Sport Games; and our sports entrance into the largest multi-sport event the Annual Canada Games!
